Time Spent Outside the US in the Last Five Years:

Be prepared to answer this question exactly. Take the time to write down **for each trip** the date that you left the US, the date that you returned, and how many days or weeks. You will need to know the total number of days that you spent outside the US in the last 5 years. **You cannot leave the US for more than 6 months in one trip. Your total days out of the US cannot be more than one year combined (365 days).**
